Dear Applicant

Thank you for your interest in applying for the post of part-time Teacher of Art. I hope the attached documentation will provide you with the information you need and that you will feel encouraged to apply for this post.

Ripley is a large and very successful secondary school with a long history and great tradition. There are currently 1700 children on roll, with 300 of these in the Sixth Form, and there are around 180 staff. We are privileged to work with wonderful young people who are keen to learn and eager to achieve.

The school serves a very wide community with pupils coming from around 60 primary schools. As the lead school in our MAT, The Bay Learning Trust, we work closely with other local schools to provide the best educational opportunities for children in the Lancaster and Morecambe area.

We are first and foremost a Church of England school. We seek to provide an education for life, enabling each member of our school community to flourish and to live life to the full. We want our young people to grow in body, mind and spirit during their time with us. This means we offer a broad and rich curriculum, alongside a huge range of co-curricular opportunities, so that each young person can discover where their God-given gifts and talents lie. We live out our Christian distinctiveness through regular acts of worship as well as through our Christian values which influence how we treat each member of our school community.

One of our most unusual features is our school farm. Pupils in Key Stage 3 all enjoy Agriculture and Horticulture lessons and it is a real pleasure to see our sheep, horses and alpacas in the school paddock when we arrive at school!

We are proud to be one of the highest performing non-selective schools in Lancashire. Our GCSE results are consistently amongst the best in the country, averaging around 85% 9-4 in English and Maths. We also have one of the largest school sixth forms in the country, offering a wide range of courses and welcoming students both from Ripley and from other local secondary schools. Ofsted and the Church School inspectors both said we were 'outstanding' at our most recent inspections and our teacher training provision was equally graded 'outstanding' in 2017.

We promote a culture of excellence here at Ripley and we expect the highest standards from our young people. We want pupils from all backgrounds and from all starting points to do well and we believe that the best way to achieve this is through excellent teaching, strong discipline and hard work.

We offer staff support and training of the highest quality at all stages of their career. We are looking for staff who are learners themselves, who are prepared to work hard and contribute

An education for life

to our whole school community, and who will support our ethos, whatever their own faith position might be.

At Ripley, we are committed to safeguarding and promoting the welfare of children. We expect all staff to share this commitment. Appointments made are subject to satisfactory references and to an enhanced Disclosure and Barring Service check.

Please do take a look at our school website to learn more about who we are. I would particularly recommend the videos for Open Evening and for the Year 6 transition which will show you our magnificent grounds.

If you would like to visit the school prior to applying, please contact my Executive Assistant, Mrs Rees on the school number or by email reesj@ripley.lancs.sch.uk. If you would like to make an application, please complete the form (and write a letter (no longer than 2 sides of A4 – font Tahoma 11) outlining how your skills and experience fit you for the post and how you will contribute to Ripley.

Ripley is a very welcoming and close knit community – we often talk about The Ripley Family – and it is a great place to work! If you would like to be part of this dynamic and successful academy and you feel you have the qualities we are looking for, I would encourage you to apply for this post.

Yours sincerely

RIPLEY ST THOMAS CHURCH OF ENGLAND ACADEMY

Ripley was founded in 1864 by Julia and Thomas Ripley. Their gift to the city of Lancaster was our school with its beautiful buildings and grounds. The Ripleys' spirit of faith, hard work and service is still at the core of what we do now, over 150 years later. Today, Ripley is a school family made up of over 1750 children and young people and 180 members of staff. We continue the Ripley story by offering the best possible education to all our young people, firmly grounded in our Christian faith.

About us:

- Our pupils and students are fantastic—they are highly motivated and engaged young people with supportive and caring parents.
- As a Church of England school we aim to maintain a distinctly Christian ethos while being genuinely welcoming and inclusive.
- We have over 1700 pupils and students, including 300 in our large sixth form
- The school admits 280 children into year 7 each year, and is heavily oversubscribed.
- Our long tradition of academic excellence places us among the highest achieving, non-selective schools in the country.
- Our Christian foundation is central to what we do and what we are.
- We offer a rich co-curricular provision, including music, drama and sport. We believe this gives our pupils and students essential buy in to the work of the school.
- We have the largest school sixth form in the area and we offer a very wide range of subjects. Our purpose built sixth form centre gives us a modern area in which to work and study. It allows us to have a distinctive sixth form which is still closely linked to the main school.
- One of our most unusual features is our working farm. All children in KS3 study Agriculture and Horticulture, and can opt to continue this study at KS4 and in the sixth form.
- We offer an academic curriculum and value hard work and high standards of teaching and learning.
- We are one of the highest achieving non-selective schools in the country, with 80% of our pupils achieving good passes in English and Maths in 2022.
- Pupils make good progress with us. In 2022 our progress score at GCSE was +0.39.
- Religious Education is a core subject and is compulsory for all students at KS4. We are developing our core RE programme at KS5.
- We have very little "in year mobility". This stable population means that we can get to know every child and young person very well.
- We invest heavily in our pastoral system with teachers and support staff working as progress leaders in every year group.
- We are a lead school within the Bay Learning Trust. The Trust is growing fast and currently has four local schools working together. This gives colleagues the opportunity to work collaboratively with people in different contexts and is a way in which we promote career progression and CPD.
- We have a successful SCITT and we regularly recruit teachers we have trained.

ABOUT RIPLEY

Introduction:

Ripley St Thomas Academy started life as the Ripley Hospital, a charitable foundation endowed in 1864 by Julia Ripley in accordance with her late husband's wishes. Thomas Ripley was a local man who had made a fortune trading out of Liverpool and as he and Julia were childless they wished to spend their fortune in accordance with their Christian beliefs to benefit their home town. The Ripley Hospital originally provided for orphaned children in Lancaster and Liverpool. The buildings and the grounds were endowed by Julia Ripley and included a farm to ensure the children grew up well nourished. The farm still thrives and is one of our many unique features. The work of the Hospital continued until the outbreak of World War II when the building was requisitioned by the army. For three years after the war it was used as an emergency Teachers' Training College. After the trainee teachers left, the building became a National School, then a boys' secondary modern school. In 1966 the Boys' School amalgamated with St. Thomas Girls' School to become Ripley St. Thomas Church of England School. We became an academy in 2011, and set up the Bay Learning Trust in 2016 to ensure the school continued to serve its local area. The Bay Learning Trust now has four schools working in collaboration with a vision to ensure that all young people in the area have the opportunity to receive an excellent education.

A Church of England School

We take being a Church school seriously and expect all colleagues to support our ethos, whatever their own personal faith position may be. Our aim is simply to serve our local community through providing an outstanding education to children of all faiths and none. We emphasise our Christian distinctiveness through regular acts of worship, but more importantly by valuing and caring for every member of our community.

SCITT

Ripley is a School Centred ITT provider. We work in collaboration with other schools in the area to provide high quality training for new teachers.

Leadership

Mrs Catherine Walmsley took on the role as Principal in September 2020, following 15 years working at Ripley. She leads a forward-thinking and committed Senior Leadership Team. The team comprises Head of School, Vice Principal, three Senior Assistant Principals, Head of Sixth Form, two Assistant Principals, Deputy Head of Sixth Form, SENDCO and the School Business Manager. We regularly offer internships to the Senior Leadership Team to give aspiring senior leaders opportunities for development.

Curriculum

Ripley aims to provide a challenging and broad curriculum from ages 11 - 18. Subjects are taught according in line with the National Curriculum and a wide range of teaching and learning styles are used to ensure that pupils are actively engaged in their lessons. We operate a two year KS4. In Years 10 and 11 all pupils follow a core curriculum of English, mathematics, science, RE, PSHE/RSE and PE. In addition, pupils select 3 option courses from a wide-ranging choice of GCSE subjects. We give our pupils the opportunity to take the EBacc suite of qualifications, with the most able following single science courses. The curriculum is based on five 60 minute periods per day, organised as a two week timetable.

Sixth Form

Ripley Sixth Form is incredibly popular and one of the largest school sixth forms in the area. Our Sixth Form is led by Mr Malcolm Sim, alongside an experienced team of Heads of Year and Sixth Form tutors. Our post-16 provision offers a wide choice of A Level courses, as well as a small number of BTECs. Students study three A Level subjects, alongside a tutorial and enrichment programme to complement their studies.

Pastoral care and academic guidance

The Progress Leaders, assistant Progress Leaders and Progress Tutors have responsibility for the welfare, academic progress and discipline of the pupils in their care. The tutors in each year group team have a particularly important role since they look after the same group of children as they move through the school. Time is set aside each day for a programme of activities designed to promote the pupils' social and learning skills, support literacy, and to enable tutors to get to know each pupil as an individual. Pupil Voice is important at Ripley and we have an active School Council and Year Group Councils.

Links between home and school

We aim to develop strong links between home and school. We hold consultative evening meetings between staff and parents to discuss any concerns, acknowledge successes and agree targets for further improvement.

Parents also receive termly monitoring reports and are provided with regular communications about developments in school.

In addition, we publish newsletters and organise information evenings for parents at key points in their children's education, together with prize evenings to celebrate the success of pupils at different Key Stages.

Special educational needs and disabilities

At Ripley we place equal value on the education of all pupils. Those with special educational needs or disabilities are encouraged to achieve their potential within each curriculum area. Teaching assistants also offer additional individual support. Some pupils are withdrawn from lessons for brief periods to work with specialist staff.

Co-curricular activities

A wide variety of out-of-school clubs and activities are available to pupils. These vary across the academic year but might include cookery club, drama club, eco club, farm club and many others. There are a wide range of opportunities in physical education with hundreds of children involved in sports team practices every evening. The school enjoys a national reputation for music; we have school bands and choirs, and a large number of musical functions are held annually. There are also excellent opportunities for pupils to begin or continue instrumental tuition as well as to participate in the annual school musical production. Educational visits and exchanges all appear in our annual programme. Enrichment activities are vital to the development of our pupils and we continue to seek new and exciting educational opportunities to develop each individual.

School uniform

We set high standards of personal appearance. Pupils are expected to dress smartly for a learning environment. School uniform is compulsory for all pupils in Years 7 to 11.

ICT resources

In recent years the school has invested heavily to develop our ICT provision and we have a state of the art wifi system and an excellent Virtual Learning Environment. Every teacher has a laptop for personal use, and a PC in their classroom.

Ripley active in the community

Pupils and students at Ripley are encouraged to learn from the expertise, experience and information available within the local community. The school in return aims to provide a significant contribution to the community through the high-quality education, guidance and care we provide for our young people and through participation in fundraising and community service. We give the opportunity to children in local primary schools to join us for enrichment activities and to take part in a range of programmes. Ripley is active in its support of charities and we organise a number of fundraising activities. We are also committed to sustaining and extending our links with local businesses, both to enrich the curriculum and to encourage sponsorship and financial support for the work of the school.

Our local area

Despite being a university city and home to 138,000 people, over two thirds of Lancaster is classed as rural area. Surrounded by many pretty villages, it is a very pleasant place to live. Lancaster benefits from excellent rail and road links, indeed the school is easily accessed from the M6 motorway. The city offers the usual attractions of a vibrant place to live, but also has some beautiful areas of outstanding natural beauty on the doorstep. The coast is easily accessed; Blackpool, the beautiful Fylde Coast and Morecambe Bay are within 40 minutes' drive. The Lake District is 30 minutes away. Liverpool and Manchester are less than 1 hour away. London is less than 3 hours away by train, with Lancaster being a mainline west coast station, giving easy access to Scotland.

The Trust's priority is to improve the quality of education in all our schools and so enhance the life chances of our young people. DEPARTMENTAL INFORMATION

We are looking to appoint a part-time (0.6fte) Teacher of Art from September 2023. The ability to also teach some KS3 Design Technology would be an advantage.

The Art Department is a thriving and popular subject at Ripley. Due to an increase in numbers of pupils wanting to study Art at GCSE, we are now looking for another enthusiastic and inspiring teacher to join us. We want the new member of the team to be dynamic, and to support us in the growth and development of our department. It really is an exciting time to become part of our team. We have a technician, 2 large, spacious Art classrooms and a 6th form workspace.

Our department strives to instil a love of Art in all the pupils we teach. We aim to develop our young people into reflective thinkers with enquiring minds. At Key Stage 3, we encourage pupils to be inquisitive as we explore how Art is used as a visual form of communication. We focus on the formal elements, allowing pupils to analyse and appreciate a range of work by artists, craft makers and designers. At the same time, pupils build up experience and their skills through exploring and experimenting with a full range of techniques and media including drawing, painting, photography, print making, sculpture, and more. This chance to try different techniques and skills builds a foundation from which pupils can specialise and explore further through their own personal projects in Key Stage 4 and 5.

At Key Stages 4 and 5, we encourage pupils to shape their own ideas and interests so that they become more independent. We shift our focus to methods of research, how to experiment with form and media, as well as supporting pupils with the development of their ideas through individual tutorials. This set of skills prepares our pupils with both the path and the possibility to independently explore concepts, cultures, materials, and techniques that link with their own passions and interests. We love to see our students' projects develop and come to life. They give pupils a chance to deepen their knowledge of a particular topic or issue and to develop high level skills in a particular medium, technique, or style. We find that pupil led projects often ignite a lifelong passion for Art and Design and many of our students go on to study related and connected subjects at University, such as Fine Art, Design, Media, Architecture, Fashion, and Textiles. This year, many of our A-level students have been offered unconditional offers from universities to study Art and Design related courses due to their outstanding portfolios of work.

Please do take a look at our Instagram page for a small insight into what goes on in our fantastic department - [@ripleystthomasart](#)
